

Madras Media Moment

Madras Reads

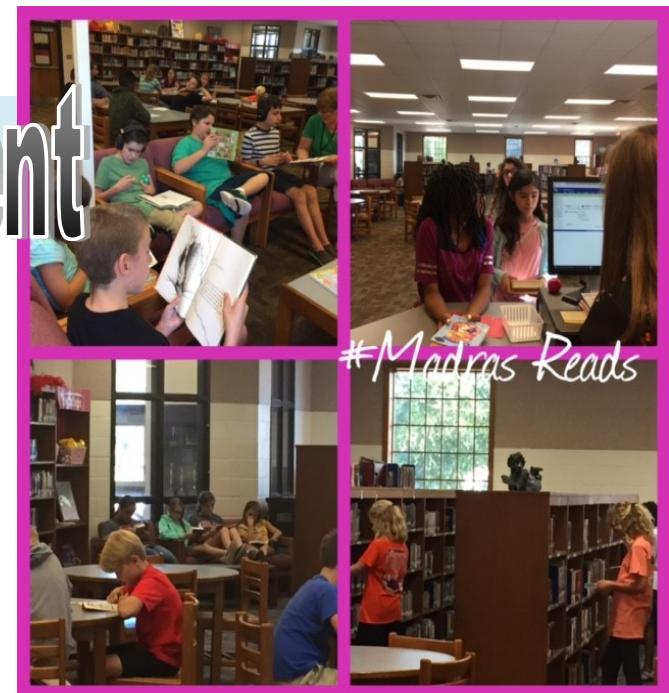

Thank you all for welcoming me to the Madras family! I wanted to share a few highlights of the first month in the Madras Library Media Center.

- 1) We cleaned out and relocated almost every book in the library.
- 2) We relabeled much of the library collection and shelves. (We still have more to do.)
- 3) We started a library club of student helpers.
- 4) We created a FUN section for our lower level readers. Mrs. Wessell's students are coming on a weekly basis to read from this section!
- 5) We created a NEW BOOK section.
- 6) We saw 48 classes for library orientation.
- 7) We created a library website that is now up and running.
- 8) We created a Twitter and Instagram Account for the Madras Library Media Center. Feel free to follow us! We are using #madrasreads to connect our photos.
- 9) We have 5 parents who have been coming to help on a regular basis!
- 10) We still have National Geographic Magazines, encyclopedias, dictionaries, and other books, magazine containers, etc. that we are getting rid of, if you are interested.
- 11) We are looking for someone to help us get started with our news program. If you are interested, please let me know.

"I do believe something very magical can happen when you read a good book." -J.K. Rowling

Other Library Information:

- 1) Please send one student per pass to the library.
- 2) Students are allowed to check out two books at a time for two weeks at a time.
(Late fines are .10 per day, per book.)
- 3) Students may still check out a book if their fines are less than \$1.00.
- 4) ELA classes have scheduled times to bring classes or send students as needed.
